

EOS Chatbot — 1000-Question Classifier Test Report

Generated 2026-08-15 — freshly composed questions, not reused from training data

Summary

Total questions tested: 1020
Correctly classified: 878 (86.1%)
Misclassified or unrecognized: 142 (13.9%)
Average confidence: 78.5%
Intents covered: 85 of 85 trained intents

Weakest-performing intents (lowest pass rate first)

admin_drive_pipeline	4/12 (33%)
admin_list_students	6/12 (50%)
faculty_media_request	6/12 (50%)
section_performance	7/12 (58%)
get_fee_breakup	7/12 (58%)
search_books	7/12 (58%)
faculty_low_attendance	7/12 (58%)
faculty_leave_status	7/12 (58%)
faculty_payslip	7/12 (58%)
feedback_positive	7/12 (58%)
faculty_my_classes	8/12 (67%)
admin_list_faculty	8/12 (67%)
get_subject_notes	8/12 (67%)
get_notifications	8/12 (67%)
get_hall_ticket	8/12 (67%)
get_hostel_room	8/12 (67%)
get_company_info	8/12 (67%)
admin_dd_lookup	8/12 (67%)
admin_students_out_now	8/12 (67%)
admin_gate_log	8/12 (67%)

Misclassifications (142 of 1020)

"what is my pending balance?"

expected: get_fees !' got: get_wallet_balance (confidence 0.657)

"hey, what is my pending balance"

expected: get_fees !' got: get_wallet_balance (confidence 0.637)

"can you tell me what is my pending balance"

expected: get_fees !' got: get_wallet_balance (confidence 0.662)

"yo thanks"

expected: greeting !' got: thanks (confidence 1.000)

"am I mentoring any class?"

expected: faculty_my_classes !' got: faculty_mentees (confidence 0.908)

"hey, am I mentoring any class"

expected: faculty_my_classes !' got: faculty_mentees (confidence 0.893)

"can you tell me am I mentoring any class"

expected: faculty_my_classes !' got: faculty_mentees (confidence 0.919)

"am I mentoring any class thanks"

expected: faculty_my_classes !' got: faculty_mentees (confidence 0.926)

"hey, how did my class do overall in the last test"

expected: section_performance !' got: get_marks (confidence 0.643)

"top scorer in my class for physics?"

expected: section_performance !' got: get_marks (confidence 0.666)

"hey, top scorer in my class for physics"

expected: section_performance !' got: get_marks (confidence 0.775)

"can you tell me top scorer in my class for physics"

expected: section_performance !' got: get_marks (confidence 0.780)

"top scorer in my class for physics thanks"

expected: section_performance !' got: get_marks (confidence 0.783)

"pls pull up the full student roster"

expected: admin_list_students !' got: section_students (confidence 0.540)

"pull up the full student roster?"

expected: admin_list_students !' got: section_students (confidence 0.651)

"list everyone in mechanical dept?"

expected: admin_list_students !' got: (none) (confidence 0.469)

"hey, list everyone in mechanical dept"

expected: admin_list_students !' got: (none) (confidence 0.441)

"can you tell me list everyone in mechanical dept"

expected: admin_list_students !' got: (none) (confidence 0.461)

"list everyone in mechanical dept thanks"

expected: admin_list_students !' got: (none) (confidence 0.479)

"staff directory please?"

expected: admin_list_faculty !' got: oos_faculty_contact (confidence 0.546)

"hey, staff directory please"

expected: admin_list_faculty !' got: oos_faculty_contact (confidence 0.588)

"hey, list faculty in ece department"

expected: admin_list_faculty !' got: get_mentor (confidence 0.721)

"can you tell me list faculty in ece department"

expected: admin_list_faculty !' got: get_mentor (confidence 0.729)

"who do I contact for academic advice?"

expected: get_mentor !' got: human_handoff (confidence 0.568)

"notes for thermodynamics please?"

expected: get_subject_notes !' got: (none) (confidence 0.420)

"hey, notes for thermodynamics please"

expected: get_subject_notes !' got: (none) (confidence 0.422)

"can you tell me notes for thermodynamics please"

expected: get_subject_notes !' got: (none) (confidence 0.452)

"notes for thermodynamics please thanks"

expected: get_subject_notes !' got: (none) (confidence 0.442)

"hey, is there a break coming up"

expected: get_holidays !' got: greeting (confidence 0.452)

"is there a break coming up thanks"

expected: get_holidays !' got: greeting (confidence 0.438)

"hey, anything new posted"
expected: get_announcements !' got: get_notifications (confidence 0.688)

"hey, is my leave request cleared"
expected: get_leave_status !' got: faculty_leave_status (confidence 0.823)

"can you tell me is my leave request cleared"
expected: get_leave_status !' got: faculty_leave_status (confidence 0.888)

"is my leave request cleared thanks"
expected: get_leave_status !' got: faculty_leave_status (confidence 0.860)

"pls status of my bonafide request"
expected: get_bonafide_status !' got: get_od_status (confidence 0.757)

"can you tell me status of my OD application"
expected: get_od_status !' got: get_drive_applications (confidence 0.744)

"what am I missing?"
expected: get_notifications !' got: (none) (confidence 0.523)

"hey, what am I missing"
expected: get_notifications !' got: greeting (confidence 0.636)

"can you tell me what am I missing"
expected: get_notifications !' got: greeting (confidence 0.536)

"what am I missing thanks"
expected: get_notifications !' got: thanks (confidence 0.577)

"can I sit for the finals?"
expected: get_exam_eligibility !' got: (none) (confidence 0.543)

"hey, can I sit for the finals"
expected: get_exam_eligibility !' got: (none) (confidence 0.532)

"is my exam permit ready?"
expected: get_hall_ticket !' got: get_exam_eligibility (confidence 0.763)

"hey, is my exam permit ready"
expected: get_hall_ticket !' got: get_exam_eligibility (confidence 0.739)

"can you tell me is my exam permit ready"
expected: get_hall_ticket !' got: get_exam_eligibility (confidence 0.762)

"is my exam permit ready thanks"
expected: get_hall_ticket !' got: get_exam_eligibility (confidence 0.756)

"hey, send me my grade sheet"
expected: get_marksheet !' got: get_marks (confidence 0.724)

"status of my remarking application?"
expected: get_revaluation_status !' got: get_od_status (confidence 0.611)

"hey, status of my remarking application"
expected: get_revaluation_status !' got: admin_admission_status (confidence 0.594)

"can you tell me status of my remarking application"
expected: get_revaluation_status !' got: admin_admission_status (confidence 0.605)

"break down my fee structure"
expected: get_fee_breakup !' got: get_fees (confidence 0.760)

"hey, break down my fee structure"
expected: get_fee_breakup !' got: get_fees (confidence 0.779)

"hey, itemized fee details please"
expected: get_fee_breakup !' got: get_fees (confidence 0.758)

"can you tell me itemized fee details please"
expected: get_fee_breakup !' got: get_fees (confidence 0.778)

"itemized fee details please thanks"
expected: get_fee_breakup !' got: get_fees (confidence 0.780)

"where am I staying on campus?"
expected: get_hostel_room !' got: get_route_stops (confidence 0.598)

"hey, where am I staying on campus"
expected: get_hostel_room !' got: get_profile (confidence 0.630)

"can you tell me where am I staying on campus"
expected: get_hostel_room !' got: general_facilities (confidence 0.556)

"where am I staying on campus thanks"
expected: get_hostel_room !' got: get_profile (confidence 0.635)

"status of my gate pass request?"
expected: get_outing_status !' got: get_od_status (confidence 0.587)

"hey, status of my gate pass request"
expected: get_outing_status !' got: admin_gate_log (confidence 0.641)

"can you tell me status of my gate pass request"
expected: get_outing_status !' got: admin_gate_log (confidence 0.615)

"hostel dues so far?"

expected: get_hostel_ledger !' got: admin_hostel_occupancy (confidence 0.760)

"hey, hostel dues so far"

expected: get_hostel_ledger !' got: admin_hostel_occupancy (confidence 0.808)

"hey, does the library have any books on AI"

expected: search_books !' got: (none) (confidence 0.545)

"pls find a book on thermodynamics"

expected: search_books !' got: (none) (confidence 0.515)

"find a book on thermodynamics?"

expected: search_books !' got: (none) (confidence 0.499)

"hey, find a book on thermodynamics"

expected: search_books !' got: (none) (confidence 0.438)

"can you tell me find a book on thermodynamics"

expected: search_books !' got: (none) (confidence 0.467)

"package details for the drive?"

expected: get_company_info !' got: get_drive_applications (confidence 0.642)

"hey, package details for the drive"

expected: get_company_info !' got: get_drive_applications (confidence 0.668)

"can you tell me package details for the drive"

expected: get_company_info !' got: get_drive_applications (confidence 0.709)

"package details for the drive thanks"

expected: get_company_info !' got: get_drive_applications (confidence 0.690)

"pls shortage list for my section"

expected: faculty_low_attendance !' got: faculty_class_attendance (confidence 0.538)

"hey, shortage list for my section"

expected: faculty_low_attendance !' got: faculty_class_attendance (confidence 0.586)

"can you tell me shortage list for my section"

expected: faculty_low_attendance !' got: get_attendance (confidence 0.583)

"students below the cutoff in my subject?"

expected: faculty_low_attendance !' got: get_attendance (confidence 0.682)

"students below the cutoff in my subject thanks"

expected: faculty_low_attendance !' got: get_attendance (confidence 0.667)

"pls is my leave request cleared yet"

expected: faculty_leave_status !' got: get_leave_status (confidence 0.816)

"status of the leave I filed?"

expected: faculty_leave_status !' got: get_leave_status (confidence 0.849)

"hey, status of the leave I filed"

expected: faculty_leave_status !' got: get_leave_status (confidence 0.842)

"can you tell me status of the leave I filed"

expected: faculty_leave_status !' got: get_leave_status (confidence 0.865)

"status of the leave I filed thanks"

expected: faculty_leave_status !' got: get_leave_status (confidence 0.869)

"hey, invigilation schedule for me"

expected: faculty_invigilation !' got: get_timetable (confidence 0.750)

"can you tell me invigilation schedule for me"

expected: faculty_invigilation !' got: get_timetable (confidence 0.719)

"hey, where is my payslip"

expected: faculty_payslip !' got: get_fees (confidence 0.502)

"my latest pay statement?"

expected: faculty_payslip !' got: get_fees (confidence 0.612)

"hey, my latest pay statement"

expected: faculty_payslip !' got: oos_payment_action (confidence 0.724)

"can you tell me my latest pay statement"

expected: faculty_payslip !' got: get_fees (confidence 0.651)

"my latest pay statement thanks"

expected: faculty_payslip !' got: get_fees (confidence 0.652)

"can you tell me my mentee roster"

expected: faculty_mentees !' got: section_students (confidence 0.745)

"pls status of my equipment request"

expected: faculty_media_request !' got: get_od_status (confidence 0.616)

"hey, status of my equipment request"

expected: faculty_media_request !' got: get_od_status (confidence 0.538)

"my AV request update?"

expected: faculty_media_request !' got: get_od_status (confidence 0.561)

"hey, my AV request update"
expected: faculty_media_request !' got: get_od_status (confidence 0.585)

"can you tell me my AV request update"
expected: faculty_media_request !' got: get_od_status (confidence 0.608)

"my AV request update thanks"
expected: faculty_media_request !' got: get_od_status (confidence 0.586)

"anything pending my review?"
expected: admin_pending_approvals !' got: get_active_surveys (confidence 0.644)

"pls find this DD in the system"
expected: admin_dd_lookup !' got: get_dd_status (confidence 0.567)

"find this DD in the system?"
expected: admin_dd_lookup !' got: get_dd_status (confidence 0.523)

"verify a draft submission?"
expected: admin_dd_lookup !' got: get_dd_status (confidence 0.688)

"verify a draft submission thanks"
expected: admin_dd_lookup !' got: get_dd_status (confidence 0.666)

"can you tell me vacant rooms in the hostel"
expected: admin_hostel_occupancy !' got: get_hostel_room (confidence 0.810)

"live outing list?"
expected: admin_students_out_now !' got: (none) (confidence 0.532)

"hey, live outing list"
expected: admin_students_out_now !' got: greeting (confidence 0.495)

"can you tell me live outing list"
expected: admin_students_out_now !' got: get_outing_status (confidence 0.617)

"live outing list thanks"
expected: admin_students_out_now !' got: get_outing_status (confidence 0.619)

"who entered campus this morning"
expected: admin_gate_log !' got: admin_visitor_log (confidence 0.788)

"pls who entered campus this morning"
expected: admin_gate_log !' got: admin_visitor_log (confidence 0.688)

"who entered campus this morning?"
expected: admin_gate_log !' got: admin_visitor_log (confidence 0.780)

"hey, who entered campus this morning"
expected: admin_gate_log !' got: admin_visitor_log (confidence 0.761)

"which books are overdue right now"
expected: admin_overdue_books !' got: get_borrowed_books (confidence 0.788)

"pls which books are overdue right now"
expected: admin_overdue_books !' got: get_borrowed_books (confidence 0.714)

"which books are overdue right now?"
expected: admin_overdue_books !' got: get_borrowed_books (confidence 0.778)

"hey, which books are overdue right now"
expected: admin_overdue_books !' got: get_borrowed_books (confidence 0.747)

"pls has the PO been approved"
expected: admin_po_status !' got: get_od_status (confidence 0.732)

"has the PO been approved?"
expected: admin_po_status !' got: get_od_status (confidence 0.750)

"hey, has the PO been approved"
expected: admin_po_status !' got: get_od_status (confidence 0.740)

"can you tell me has the PO been approved"
expected: admin_po_status !' got: get_od_status (confidence 0.778)

"how many placement drives are lined up"
expected: admin_drive_pipeline !' got: get_upcoming_drives (confidence 0.768)

"pls how many placement drives are lined up"
expected: admin_drive_pipeline !' got: get_upcoming_drives (confidence 0.830)

"how many placement drives are lined up?"
expected: admin_drive_pipeline !' got: get_upcoming_drives (confidence 0.751)

"hey, how many placement drives are lined up"
expected: admin_drive_pipeline !' got: get_upcoming_drives (confidence 0.766)

"drives scheduled this semester?"
expected: admin_drive_pipeline !' got: get_upcoming_drives (confidence 0.678)

"hey, drives scheduled this semester"
expected: admin_drive_pipeline !' got: get_drive_applications (confidence 0.528)

"can you tell me drives scheduled this semester"
expected: admin_drive_pipeline !' got: get_upcoming_drives (confidence 0.670)

"drives scheduled this semester thanks"

expected: admin_drive_pipeline !' got: get_drive_applications (confidence 0.612)

"can you tell me appreciate the help"

expected: thanks !' got: help (confidence 0.796)

"hey, that's not what I asked"

expected: wrong_answer !' got: help (confidence 0.436)

"you got that wrong thanks"

expected: wrong_answer !' got: abuse (confidence 0.579)

"that was really helpful"

expected: feedback_positive !' got: thanks (confidence 0.820)

"pls that was really helpful"

expected: feedback_positive !' got: thanks (confidence 0.691)

"hey, that was really helpful"

expected: feedback_positive !' got: thanks (confidence 0.828)

"this actually worked well?"

expected: feedback_positive !' got: (none) (confidence 0.456)

"can you tell me this actually worked well"

expected: feedback_positive !' got: (none) (confidence 0.538)

"this bot is garbage?"

expected: abuse !' got: bot_identity (confidence 0.842)

"can you tell me this bot is garbage"

expected: abuse !' got: bot_identity (confidence 0.878)

"this bot is garbage thanks"

expected: abuse !' got: bot_identity (confidence 0.858)

"cumulative score so far?"

expected: oos_cgpa !' got: get_marks (confidence 0.653)

"pls phone number for the HOD"

expected: oos_faculty_contact !' got: human_handoff (confidence 0.555)

"pls when do admissions open"

expected: admissions_info !' got: admin_admission_status (confidence 0.725)

"can you tell me when do admissions open"

expected: admissions_info !' got: admin_admission_status (confidence 0.819)

Full results (all 1020 questions)

"what did I score in my last internal" — expected get_marks, got get_marks (0.83)
"pls what did I score in my last internal" — expected get_marks, got get_marks (0.82)
"what did I score in my last internal?" — expected get_marks, got get_marks (0.80)
"hey, what did I score in my last internal" — expected get_marks, got get_marks (0.78)
"pls show me my exam results" — expected get_marks, got get_marks (0.86)
"show me my exam results?" — expected get_marks, got get_marks (0.93)
"hey, show me my exam results" — expected get_marks, got get_marks (0.90)
"can you tell me show me my exam results" — expected get_marks, got get_marks (0.91)
"how many marks did I get in maths?" — expected get_marks, got get_marks (0.81)
"hey, how many marks did I get in maths" — expected get_marks, got get_marks (0.81)
"can you tell me how many marks did I get in maths" — expected get_marks, got get_marks (0.86)
"how many marks did I get in maths thanks" — expected get_marks, got get_marks (0.81)
"how many classes have I missed this month" — expected get_attendance, got get_attendance (0.89)
"pls how many classes have I missed this month" — expected get_attendance, got get_attendance (0.86)
"how many classes have I missed this month?" — expected get_attendance, got get_attendance (0.87)
"hey, how many classes have I missed this month" — expected get_attendance, got get_attendance (0.84)
"pls what's my attendance percentage right now" — expected get_attendance, got get_attendance (0.93)
"what's my attendance percentage right now?" — expected get_attendance, got get_attendance (0.93)
"hey, what's my attendance percentage right now" — expected get_attendance, got get_attendance (0.91)
"can you tell me what's my attendance percentage right now" — expected get_attendance, got get_attendance (0.93)
"am I short of attendance in any subject?" — expected get_attendance, got get_attendance (0.91)
"hey, am I short of attendance in any subject" — expected get_attendance, got get_attendance (0.92)
"can you tell me am I short of attendance in any subject" — expected get_attendance, got get_attendance (0.92)
"am I short of attendance in any subject thanks" — expected get_attendance, got get_attendance (0.93)
"do I owe any money to the college" — expected get_fees, got get_fees (0.91)
"pls do I owe any money to the college" — expected get_fees, got get_fees (0.87)
"do I owe any money to the college?" — expected get_fees, got get_fees (0.90)
"hey, do I owe any money to the college" — expected get_fees, got get_fees (0.85)
"pls has my tuition fee been cleared" — expected get_fees, got get_fees (0.69)
"has my tuition fee been cleared?" — expected get_fees, got get_fees (0.80)
"hey, has my tuition fee been cleared" — expected get_fees, got get_fees (0.75)
"can you tell me has my tuition fee been cleared" — expected get_fees, got get_fees (0.77)
"what is my pending balance?" — expected get_fees, got get_wallet_balance (0.66)
"hey, what is my pending balance" — expected get_fees, got get_wallet_balance (0.64)
"can you tell me what is my pending balance" — expected get_fees, got get_wallet_balance (0.66)
"what is my pending balance thanks" — expected get_fees, got get_fees (0.76)
"what's on my schedule today" — expected get_timetable, got get_timetable (0.95)
"pls what's on my schedule today" — expected get_timetable, got get_timetable (0.92)
"what's on my schedule today?" — expected get_timetable, got get_timetable (0.93)
"hey, what's on my schedule today" — expected get_timetable, got get_timetable (0.91)
"pls do I have any classes right now" — expected get_timetable, got get_timetable (0.86)
"do I have any classes right now?" — expected get_timetable, got get_timetable (0.91)
"hey, do I have any classes right now" — expected get_timetable, got get_timetable (0.89)
"can you tell me do I have any classes right now" — expected get_timetable, got get_timetable (0.88)
"what period is next?" — expected get_timetable, got get_timetable (0.76)
"hey, what period is next" — expected get_timetable, got get_timetable (0.76)
"can you tell me what period is next" — expected get_timetable, got get_timetable (0.77)
"what period is next thanks" — expected get_timetable, got get_timetable (0.76)
"what department am I in" — expected get_profile, got get_profile (0.92)
"pls what department am I in" — expected get_profile, got get_profile (0.84)
"what department am I in?" — expected get_profile, got get_profile (0.90)
"hey, what department am I in" — expected get_profile, got get_profile (0.84)
"pls can you pull up my student record" — expected get_profile, got get_profile (0.83)
"can you pull up my student record?" — expected get_profile, got get_profile (0.83)
"hey, can you pull up my student record" — expected get_profile, got get_profile (0.82)
"can you tell me can you pull up my student record" — expected get_profile, got get_profile (0.82)
"what year am I currently in?" — expected get_profile, got get_profile (0.85)
"hey, what year am I currently in" — expected get_profile, got get_profile (0.80)
"can you tell me what year am I currently in" — expected get_profile, got get_profile (0.84)
"what year am I currently in thanks" — expected get_profile, got get_profile (0.61)
"hey there" — expected greeting, got greeting (1.00)
"pls hey there" — expected greeting, got greeting (0.83)
"hey there?" — expected greeting, got greeting (0.88)
"hey, hey there" — expected greeting, got greeting (0.94)
"pls good morning" — expected greeting, got greeting (0.90)
"good morning?" — expected greeting, got greeting (0.94)
"hey, good morning" — expected greeting, got greeting (0.96)
"can you tell me good morning" — expected greeting, got greeting (0.86)
"yo?" — expected greeting, got greeting (0.86)
"hey, yo" — expected greeting, got greeting (0.88)
"can you tell me yo" — expected greeting, got greeting (0.70)
"yo thanks" — expected greeting, got thanks (1.00)
"what can you actually do" — expected help, got help (0.85)
"pls what can you actually do" — expected help, got help (0.74)
"what can you actually do?" — expected help, got help (0.84)
"hey, what can you actually do" — expected help, got help (0.82)
"pls list your features" — expected help, got help (0.75)

"list your features?" — expected help, got help (0.90)
"hey, list your features" — expected help, got help (0.86)
"can you tell me list your features" — expected help, got help (0.88)
"what should I ask you?" — expected help, got help (0.82)
"hey, what should I ask you" — expected help, got help (0.82)
"can you tell me what should I ask you" — expected help, got help (0.88)
"what should I ask you thanks" — expected help, got help (0.76)
"what sections am I teaching this term" — expected faculty_my_classes, got faculty_my_classes (0.93)
"pls what sections am I teaching this term" — expected faculty_my_classes, got faculty_my_classes (0.88)
"what sections am I teaching this term?" — expected faculty_my_classes, got faculty_my_classes (0.92)
"hey, what sections am I teaching this term" — expected faculty_my_classes, got faculty_my_classes (0.84)
"pls list the classes under me" — expected faculty_my_classes, got faculty_my_classes (0.77)
"list the classes under me?" — expected faculty_my_classes, got faculty_my_classes (0.83)
"hey, list the classes under me" — expected faculty_my_classes, got faculty_my_classes (0.80)
"can you tell me list the classes under me" — expected faculty_my_classes, got faculty_my_classes (0.85)
"am I mentoring any class?" — expected faculty_my_classes, got faculty_mentees (0.91)
"hey, am I mentoring any class" — expected faculty_my_classes, got faculty_mentees (0.89)
"can you tell me am I mentoring any class" — expected faculty_my_classes, got faculty_mentees (0.92)
"am I mentoring any class thanks" — expected faculty_my_classes, got faculty_mentees (0.93)
"who are the kids in my class" — expected section_students, got section_students (0.74)
"pls who are the kids in my class" — expected section_students, got section_students (0.70)
"who are the kids in my class?" — expected section_students, got section_students (0.74)
"hey, who are the kids in my class" — expected section_students, got section_students (0.70)
"pls roster for section B please" — expected section_students, got section_students (0.76)
"roster for section B please?" — expected section_students, got section_students (0.69)
"hey, roster for section B please" — expected section_students, got section_students (0.77)
